Addition

Working Mathematically

107 + 50 = ____

35 + 30 = ____

110 + 40 = ____

140 + 60 = ____

27 + 20 = ____

133 + 70 = ____

174 + 10 = ____

0 + 10 = ____

34 + 20 = ____

168 + 40 = ____

13 + 80 = ____

121 + 40 = ____

94 + 60 = ____

177 + 40 = ____
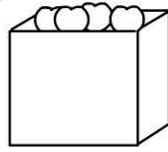

1) Last year the apple orchard produced 165 crates of green apples. This year it produced 50 more.

How many crates of apples were produced this year? ____
