## ***Woman with a Parasol, Madame Monet and her Son***

Completed: about 1875

Medium: Oil on canvas

Dimensions: 100 x 81 cm (39.4 X 31.9 in)

Located: National Gallery of Art, Washington D.C. USA

*This painting is of Monet's wife Camille and their son Jean. Once again, lighting and freely applied brush strokes are the key features that create the mood for this painting.*

*Monet's brush strokes create the impression of movement. You can almost feel the wind sweeping across Madame Monet's skirt as she turns and looks toward her husband for an instant before continuing on her walk. Monet has captured a snapshot of a family day out.*
