

Your Shadow

Name:

*Go outside on a sunny day and you will see your shadow.
Wherever you might like to go, it will always _____.*

*It will do the same as you, so do not try to trick it.
It will always score the same as you, in a game of _____!*

*Sometimes it will play on the wall right beside you.
Forget to look before you leap, then it will _____ you.*

*Sometimes you will find it on the ground down below.
If you wait for long enough you will even see it _____.*

*In the morning and the afternoon it will grow very tall.
But when the sun is right above you it will be very _____.*

*If the day gets cloudy, your shadow will begin to fade
And it will leave you by yourself when you are in the _____.*

*Finish the poem.
Choose from these words:*

*grow
cricket
small
follow
shade
remind*
