## My Place

This is my place!

Choose a place that you know well and describe it.

Consider that the person reading your description has never seen the place before.

## Plan before you write

:: Choose a place and see it in your mind.

Draw the place in as much detail as possible. Include all the objects and their relative position to each other.

keywords that you might use

name:		
🦫 Write in sentences. 🁺 Pay attention to spelling and punctuation.		
	Checklist for descriptions	
	Start with what is being described.	
	What it looks like.	
	Used descriptive words and if needed postional language & similies.	
	**If relevant where it is, what it does, how it feels or smells.
