If I Had A Million Dollars

Questions to think about

We all like to dream about winning a million dollars, but would it change your life for better or worse?

Who are your main characters and how would you describe them?

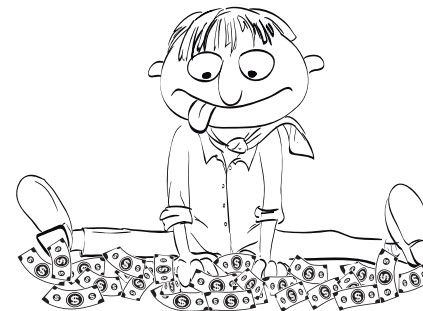

How would you describe the setting?

Where will the action take place?

What problem will the characters encounter?

What series of events will take place as the characters try to solve the problem?

How will things end?

Choose a text type:

a poem

a script for a play

a picture book
