

Create A Personalised Mug

What you will need:

Plain white Coffee/Tea cup or mug

Enamel Paints and paintbrush

Sharpie Pen

Directions:

Step 1:

Make sure the mug is clean and dry.

Step 2:

Draw or write on the mug using assorted colours of Sharpie pens or paint and design the mug using the enamel paints.

Write a Father's Day message such as "#1 DAD" or "Happy Father's Day" etc. You can personalise the mug even more by writing your Dad's name on the bottom.

Step 3:

Once you have finished decorating simply bake the mug in the oven for approximately 30 minutes at approximately 180 degrees Celcius. If you use enamel paints please check and follow the heating instructions.
