

Name: _____

Date: _____

Suffix Origins 'graph'

Adding "graph" to a word applies the meaning "description of, writing, or recording". Graph originates from the Greek words "grapho (to scratch or scrape) and graphein (to write)".

Add the prefix "graph" then write the new words:

auto _____

seismo _____

photo _____

bio _____ y _____

litho _____

****Research:** Type 'lithograph' into a browser and search by 'image' to see examples of lithographs.**

Word meanings: Write the word which means:

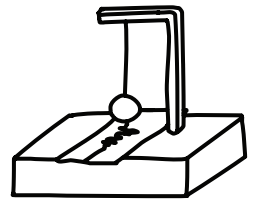

_____ : An instrument that measures earthquakes.

_____ : A picture produced by a camera.

_____ : A style of art produced by printing.

_____ : The story of a person's life written by someone else.

_____ : Someone's own handwriting, especially their signature.
