

Saturdays Are The Best!

Fishing For Fun

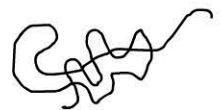

Write numbers in the boxes to order the instructions.

- Cast your line into the water.
- Thread a small piece of bait through the hook.
- When you feel a bite, wind in the line on your reel.
- Hold onto your line to feel for bites.
- Release the fish gently, back to the water.
- If you have a fish, remove the hook carefully.

Draw and colour a picture of someone fishing.

Match the item with its name

reel

fishing line

hook

bait
