

Factual Adjectives

Adjectives are descriptive words. They give information about nouns or pronouns. It is information that can't be argued with.

It could be information about number, age, size, colour, shape, or possession.

Factual Adjectives

What information does each factual adjective tell us about the nouns in these sentences?

I like your **black** shoes.

the colour of
the shoes

He played with **Jim's** dog.

who owns
the dog

Danny has **four** sisters.

the number
of sisters

She opened the **wooden** box.

what the box
is made of

Opinion Adjectives

Some adjectives are opinions, describing what someone thinks about a person, place or thing. They are not facts.

For example:
nice, beautiful, lovely,
funny.
