

I Was Hungry!

I ate a bug today.  
It wasn't very nice.  
The taste was really yuk.  
I wouldn't eat it twice!

I ate some bark today.  
It was very dry.  
I needed water with it.  
It's something not to try!

I ate some worms today.  
They were soft and wiggly.  
They tasted quite funny  
And they made me very giggly!

I ate some sand today.  
It was very gritty.  
I had to spit it out.  
That wasn't very pretty!

I ate some mud today.  
It was soft and squishy.  
I'm not sure why it was  
But it tasted kind of fishy!

bugs  
bark  
worms  
sand  
mud?

Humans think I'm mad  
But they don't understand.  
As a very hungry dog  
I'll eat anything at hand!
