Theme Based Study Sheet

Apples

An apple is a type of fruit that is grown on an apple tree.

How many different types of apples can you name?

What different colours are these apples?

Apples are used to make apple juice, cider, vinegar and apple sauce. What else are apples used for?

What is your favourite type of apple?

Writing a narrative (story)

Snow White is a very famous fairy tale. In this story, the queen feeds Snow White a poison apple, but Prince Charming awakens her with a kiss.

Write your own fairy tale about a magical or special apple.

Plan your story first.

Who are the characters?

Where does the story take place?

What happens? (The sequence of events)

How does the story end?

Peeling an apple

Ask an adult to help you.

Try to peel all of the skin off of an apple in one long spiral strip.

Measure your apple peel.
How long was it?

Number crunchers

Yesterday I picked 54 apples off my apple tree. If I shared them equally amongst my nine friends, how many will each friend get?

Today I picked 24 apples off my apple tree. If I shared them equally amongst my three brothers, how many will each get?

How many apples did I pick yesterday and today in total?

How many more apples did I pick yesterday than today?

By the end of tomorrow I want to have picked 100 apples. How many more apples do I have to pick?

Apple seeds

How many seeds do you think there are in an apple?

The next time you eat an apple, count how many seeds are in it.

Ask your family and friends to count the seeds when they eat an apple.

Did all the apples have the same number of seeds?
