

The "i" before "e", except after "c" Rule (exceptions)

For some words containing a long "e" sound, the "i" before "e" except after "c" rule does not apply.

These words do not follow the rule :

n ther prot n ther w rd
s ze K th spec s caff ne

When the sound is other than long "e", we usually write "ei" :

r gn

v l

th r

w gh

v ns

 ght

Write five words that are exceptions to the rule in sentences :
