# Describing the Seasons

A year is divided into **four seasons**.

Conditions change according to the seasons:

- \* Temperature
- \* Hours of daylight
- \* Weather

What are the conditions like and what activities can you do during each season?

Spring

Summer

Autumn

Winter

Adding adjectives helps the reader form a clearer picture in their mind.

*I put on my **coat** and stepped outside.*

warm coat

fluffy overcoat

yellow raincoat

Using specific language enhances the text and can imply different meanings.

warm coat

Both of these describing words imply that it is a cold day.

fluffy overcoat

Using specific language like 'raincoat' implies that it is a rainy day.

yellow raincoat

List some describing words that would be useful when writing about seasons.
