

Making Greener Choices

Discussion Activity 9:

You plan to have a picnic day at the park. You need to bring food and drinks to share.

Is it better to ...

- 1) Bring plastic plates, cups and cutlery that you can take home, wash and re-use.
- 2) Bring plastic plates, cups and cutlery that you can throw in a bin at the park.
- 3) Pack food you can eat with your fingers in recyclable containers you can throw away.

Making Greener Choices

Discussion Activity 10:

You are watching a movie on the TV. It is getting a little cold in the room. Is it better to ...

- 1) Turn up the thermostat on your air conditioning unit to make it warmer.
- 2) Turn on the gas heater.
- 3) Grab a blanket to cover you.
