# DIY SANTA GIFT TAGS

WHAT YOU WILL NEED:

- Soda can tabs
- Glue/Scissors
- Glitter
- Twine
- Glitter
- Red and black card stock paper

STEP 1

Cut out a rectangle and circle with the red card stock paper.

STEP 3

Punch a hole at the top and put a black strip of paper through the soda can tabs.

STEP 4

Glue Santa's "belt" on the bottom of the gift tag and put two dots of glue for glitter above it. Finish the gift tag by tying some red/white twine on them!
