Making Rock and Shell Art

What you need:

- Shells and pebbles in different shapes and sizes.
- Paint brushes
- Tempera Paint
- String for hanging
- Paper to protect your work space.
- Water and sponges for cleaning up.

1) Wash and thoroughly dry your collection of pebbles and shells.

2) Paint half of the collection with a few coats of white tempera paint. Paint the other half in black paint. Set aside until completely dry.

3) Use a fine brush to paint designs on the collection. Use colourful dots and lines in your designs.

4) Once your designs are dry, use PVA glue to attach some string to make decorative designs.
