

# Phone Plans

Plan 1: Unlimited calls and unlimited texts for \$600 a year.

Plan 2: Unlimited calls and unlimited texts for \$45 a month.

Plan 3. Unlimited calls and unlimited texts for \$15 a week

Penny is looking for a new phone plan. She has a choice of three. Which plan is the cheapest?

## Extension:

On average, Penny sends 60 texts a week each costing 30c. She also makes 12 minutes worth of calls a week at 60c a minute. How much will she save per year using the best plan?
