

Poster Design

Task:

**Water Saving
Tips**

Investigate:

Which places in your school or home use more water than is necessary?

Suggest:

How can we reduce the amount of water that is wasted in our homes and schools?

What tips can you recommend for water saving?

Design:

Will you design a character as a mascot for your message?

Will you use a slogan or a catch phrase?

How will you present your tips in a striking way?
